Declaration:

I support the objectives of Durban Chess Club and agree to comply with its Constitution and the following terms and conditions:

- Membership fees shall be fully paid before the start of the Club Championship.
- When participating in any tournaments on club nights:
 - I will notify the Club Captain or Chairman by **12 noon** on that Thursday if unavailable to play that round - failing which the game will be defaulted.
 - I will arrive at the venue **before 7pm when all rounds will start** and will notify the Club before **6:45pm** on that Thursday if running late.
 - I acknowledge that arriving **more than 30 minutes after the round has started will result in a default.**
 - Players losing a game by default will not be paired in the next round, unless a satisfactory explanation is provided to the Club Captain or Chairman.
 - Players missing more than 1 round without informing the Club will be automatically removed from the rest of that event.
- All cell phones will be switched off before the round starts.
- Noise levels will be kept to the barest minimum while games are in progress.
- Fellow members will be treated with courtesy and respect.

*NB: For those new to tournament chess, Swiss events are **not** a knockout format. In a Swiss tournament **all players are expected to play all games**, whether the player wins, loses or draws. The only exceptions are where a player apologizes in advance, or where a player is awarded a "bye" in the event of an odd number of players.
